Larger Spring Church Book 1850

North Carolina Anderson County
We the Baptist Church of Christ at
Larger Spring, for as much as God by his
grace has pleased to call us out of darkness
into his marvelous light and all as we
are regular Baptists upon a profession
of our faith in Christ Jesus and have
given up our selves to the Lord and
to one another in a Gospel Church way
to be governed and guided by a proper
Discipline agreeable to the word of God
we are therefore in the name of our
Lord Jesus and by his assistance Covenant
and agree to keep up the Discipline of
the Church we are members of in the
most brotherly affection towards
each other while we endeavor punctu-
ally to observe the following rules
(viz) in brotherly love to pray for
each other to watch over one another
if needs be in the most tender
and affectionate manner to reprove one
another that is if we discover any thing
amiss in a brother to go and tell him
his fault according to the direction
given by our Lord in the 18th chapter
of saint Matthews gospel and not to
be whispering and back biting we also
agree with Gods assistance to attend
our Church meetings and not absent
ourselves from the communion of
the Lords supper without a proper
excuse to be ready to communicate to
the supplying of the churches expenses
and for the support of the ministry
not to irregularly to depart from the
fellowship of the Church nor to
to distant churches without a right
discipline these things we do covenant
and agree to observe and keep sacred
in the name of and by the assistance
of the holy Trinity Amen

conference held in the year 1852

James Smith sent forward and held
a church with the belief the Lord had
come for his soul and was here in for Baptism

He in turn like himself that
the same reports amongst the church
that brother John Rogers had joined
the missionary Baptist church at the same
place. Therefore it was resolved that
brothers Thomas Preslar and John Rogers
should lead to see Brother Rogers and con-
vince of him the truth or falsity of the
reports and if true the reason of going

February 1st 1853

This day dissolved fellowship with the church
at Lacys spring as we feel dissatisfied
in various things of a complicated nature we
feel it our duty to come out and have no more to
do with them as ~~members~~ members of that
church as we now consider our selves no longer
members of that body or church: Amen

at a conference held December 4th 1852
there was a report out that Brother Abner
Bogan had joined the Missionary Baptist
where upon the church appointed Brother
Hosea Preslar & John Preslar to
visit him & report at our next conference

Saturday before the first Sunday in
1853 the Church being in conference
took up the report of Brother Abner Bogan.
Brother Hosea Preslar reported that they saw
him & found the report ^{true} & that he gave them
no satisfaction only that he joined them
because he was not satisfied & that he ~~was~~
was better satisfied since than he was before
where upon he was excluded from the
Church as a transgressor having
irregularly departed from the fellowship of
the Church there by breaking the bond
of our Church covenant & joining a
Church we deem to be unsound
in the faith

On Saturday before the first Sunday
in April 1853
the Church ~~met in order to hold~~ ^{met in order to hold} Conference
Brother Hosea Preslar requested the Church
to request Brother W. M. Hamlington from the
Gaines Spring Church to act as moderator
for the Church in the present conference
which was agreed upon by the Church
the Church being thus organized Brother Hosea
Preslar then stated to the Church that he has
been expressing a great ~~gale~~ ^{gale} in mind for
some time past & wished to make known
his grievances to the Church
he then proceeded to lay on a charge against
Brother Martha Preslar for unprofitable
teaching & talking & backbiting
in the next place he laid on a charge
against Brother John Preslar for making
up a false report & false charge
in the next place he laid on a charge
against sister Mary Daniel

the proceedings of the 1st meeting of the church

On the next place the compliance of some of the members of the church with the charges of the church was discussed. The church here with great patience & labor for reconciliation in part of the complaints but failed to obtain it. Brother John presiding complained he was not free to refuse to accept himself or wished the church to give him a short time to prepare himself for a reply & the church agreed to refer the whole matter till Friday before the first Sunday in the present month.

On Friday before the first Sunday in April 1853 the church met in conference & chose Eliza William Rushing to act as moderator for them. They then took up the case of John presiding. Martha presiding Nancy Davis & Jane Wilkins. After a full hearing of the same on both sides the church labored for peace & reconciliation of the parties but failed to obtain it. The moderator then proceeded to take the vote of the church upon the four above named members was expelled from the church as transgressors regarding to the charges first laid against them made them have nothing to do with the church. By his own fault he was to be worse than indicative in the first charge in utterly refusing to make any acknowledgment or to be subject to the admonition of the church.

on Saturday before the 1st Sunday in June 1853 the church met in conference for the health of the church agreed for and all in peace 2nd appointed William Marsh Henry & Harve and Lemuel Bennett to act as trustees of our church 3rd open a door for the reception of members
